

Failure

1. Am I capable?

My sense of failure was linked to what I believed about my own _____.

2 Corinthians 3:5

Paul realized he was NOT competent IN _____!

Paul found out what he brought to the table was _____; that his capacity by itself was no where good enough to do what God wanted.

Paul discovered true capability is NOT based on talent or education, but on our relationship with the _____.

Before we test OUR capabilities, we need to trust OUR _____; we need to rely on him more than we rely on ourselves.

2. Am I adequate?

Are you _____ enough? Do you feel like you count, you're worthwhile, you're valuable?

_____ has taught most of us that we're inadequate.

_____ of being inadequate holds us back more than we're willing to admit!

Matthew 5:48

Perfection is not actually about sinlessness, but about living your life in such a way that you _____ the goodness of God.

We believers need to look at our spiritual _____, not our feelings to determine our adequacy!

● **We have to settle in our minds that God does not MAKE _____!**

Psalms 139:14

Genesis 1:31

To believe you are a failure is to point to God and say he made a _____ when he made you!

● **God made us for his perfect _____.**

Ephesians 2:10

If you think doing "unimportant" things is a sign of _____, don't believe it!

● **It's _____ over with yet**

Philippians 1:6
